

## GOLDEN SHAMROCKS CLUB TEAM - 16th year

Club members are 6th, 7th or 8th grade players from Dublin, Ohio (a few 5th graders and out of town players may participate with special invitation, please contact Coach Pederson). Our home field is Dublin Scioto grass field, thank you Coach Kinneson and AD Nick Magistrale.

Fee for all grades is \$285 - a reversible is included for the player to keep.

Stick packages, which include a composite stick, shinguards, ball and stick bag start at \$130. If you need a new stick, check with coach Pederson as she gets a really good price on sticks. Coach also knows how to size the sticks correctly. If you do not wish to purchase the entire package, please check with coach for other options.

Our goal is to teach good, fundamental field hockey skills in a positive and fun filled atmosphere.

You may join our club in 6th grade and we will teach you the basic skills needed to begin to play and will be on the Green team. (Special invitations may be given to younger players in 4th & 5th grade, contact coach). In 7th grade you will continue to

improve your skills and learn a little more about the tactics and strategy of the game, team will be determined by your skill level. You will play in up to 12 games this season.

In 8th grade your skills will become more advanced and you will play in up to 14 games, team will be determined by skill level. The first day of practice will be Monday, August 9, 2021. Our teams will be Golden Shamrocks Gold and Golden Shamrocks Green.

We welcome new players each year from all three grades. The pre-season practice schedule and also the regular season practice and game schedule is available on our website. Open the Calendar for easy reading. Please remember there may be changes so check prior to season starting.
